Improve communication, resolve conflicts, and avoid the most common conversational disasters through simple, easily remembered strategies that deflect and redirect negative behaviour. Verbal Judo is the martial art of the mind and mouth that can show you how to be better prepared in every verbal encounter. Listen and speak more effectively, engage people through empathy (the most powerful word in the English language), avoid the most common conversational disasters, and use proven strategies that allow you to successfully communicate your point of view and take the upper hand in most disputes.

Provides a range of options, from skillfully doing nothing to applying deadly force, designed to prevent violence or, if that is not possible, to defend oneself against it as effectively as possible.

The first tai chi book exclusively for children ages 4 to 8. • Uses children's delight in imitating animals to teach the eight basic tai chi forms essential for health. • Each exercise is accompanied by colorful artwork and photographs of the author's 7-year-old son demonstrating postures. • Written as a story to invite imaginative play and learning. • Designed for children and parents to play with together and for independent learning by older children. Millions of adults practice the ancient Chinese exercise of tai chi everyday. Now children can experience the numerous health, learning, and social benefits of tai chi--focused attention; enhanced creativity, imagination, self-confidence; and improved balance, circulation, and overall health--through the eight simple exercises introduced in Tai Chi for Kids. Inspired by his own son's excitement with tai chi at the age of only three, master teacher Stuart Olson appeals to the innate imagination and playfulness of children to teach them the eight basic forms of a tai chi practice. Children have fun imitating animals while guided by colorful and playful illustrations and photographs of Olson's son, Lee, performing each posture. Olson uses the language of a storyteller, wonderful animal metaphors that invite children to pretend, and easy-to-follow step-by-step instructions so that every child can enjoy such exercises as "Chasing the Monkeys Away," and "Riding the Tiger to the Mountain." The book also includes a fun teaching tale of how tai chi first began that can be read out loud by a parent or independently by the older child. Tai Chi for Kids introduces children to a lifetime of physical fitness and instills in them a love of movement.

Thrilling stories about hunting wildcat, buffalo, mountain sheep, wild boar, alligator, deer and small game with a bow and arrow.

Brian Enos's Practical Shooting, Beyond Fundamentals - often considered the competitive shooters bible - includes in-depth coverage of the technical and mental aspects of training and competition, and will offer new insights as you continue to improve. "There is only one person in the world who I would allow to talk to my students, and that is Brian Enos." Rob Leatham, 15+ time National & World IPSC Champion. This isn't just another "how to fire a gun" book. This one talks about shooting.... The keys to consistent, high-speed shooting are within you right now. This book will show you ways to bring them out. Through Brian's advice, you'll learn how to recognize and break down the barriers that are limiting your performance—you may begin to look at shooting in an entirely different way. You'll learn to pressure-proof your match performance, how different types of shooting require different focal points, and you'll see how to develop an attitude that will let you reach beyond what you thought was your potential. You'll find a comprehensive set of exercises that will develop and sharpen your skills. You'll see how it's possible to drive the gun to wherever your eye can look. You'll discover that everything you need to know about your technique is told by the gun, if you know how to listen to it. And all the challenges and advanced techniques of practical shooting are covered too: prone, barricade, single-hand shooting, multiple targets, reloading, shooting on the move, and much more. You'll also get inside tips on IPSC strategies, steel shooting, shootoff tactics, Bianchi, and more. Chapters include: - Awareness & Focus - Tools of Shooting - Creative Shooting - Specific Challenges - Competition - Development - Shooting Tools - Revolver Shooting - Group Shooting

This book allows you to 'take' a basic "use of force" police academy class, including training, checks and balances, experience, and review (from both the police and the suspect points of view).--Publisher.

Discover how to successfully and efficiently calm an angry person or diffuse a volatile situation in ninety seconds or less with this proven and accessible peacekeeping method by self-described "lawyer turned peacemaker" Douglas E. Noll. We live in an increasingly divided world and most of us have encountered our fair share of aggressive people and difficult confrontations. Fortunately, we now have the tools to become peacemakers and transform emotionally volatile situations and hurt feelings to calm, non-aggressive ones. Tested on prison inmates, De-Escalate offers a new set of social listening and communication skills, based on the latest findings in neuroscience and meditation. Along with practical exercises and scenario-based examples, each chapter focuses on specific themes, such as dealing with emotionally charged teenagers and frustrated coworkers. Additionally, Noll shares practical tips on how to be civil in an uncivil society. With De-Escalate, we can bring peace to all facets of life, cultivate healthier relationships, and participate in creating a more caring and compassionate future for us all.

Looks at the differences between martial arts and violence, with information on such topics as expectations of martial arts training, thinking critically about violence, and adapting training methods to reality.

Leslie Odom Jr., burst on the scene in 2015, originating the role of Aaron Burr in the Broadway musical phenomenon Hamilton. Since then, he has performed for sold-out audiences, sung for the Obamas at the White House, and won a Tony Award for Best Leading Actor in a Musical. But before he landed the role of a lifetime in one of the biggest musicals of all time, Odom put in years of hard work as a singer and an actor. With personal stories from his life, Odom asks the questions that will help you unlock your true potential and achieve your goals even when they seem impossible. What work did you put in today that will help you improve tomorrow? How do you surround yourself with people who will care about your dreams as much as you do? How do you know when to play it safe and when to risk it all for something bigger and better? These stories will inspire you, motivate you, and empower you for the greatness that lies ahead, whether you're graduating from college, starting a new job, or just looking to live each day to the fullest.
