Mosby ' s Guide to Nursing Diagnosis, 6th Edition Revised Reprint with 2021-2023 NANDA-I® Updates - E-Book With step-by-step instructions for over 100 nursing assistant procedures, Mosby's Textbook for Nursing Assistants, 8th Edition makes it easy to master the skills you need to succeed as a nursing assistant. Known for its visual approach and comprehensive, easy-to-read coverage, this market-leading text emphasizes the importance of the patient or resident as a person, communication, safety, comfort, effective delegation, and teamwork and time management. This edition provides expanded content on the person's rights and pressure ulcers. The updated companion CD includes three new procedures, an updated audio glossary, and more. Written by respected educator Sheila Sorrentino and expert co-author Leighann Remmert, Mosby's Textbook for Nursing Assistants makes nurse assisting easy to learn. Complete coverage includes the knowledge and skills needed by the nursing assistant. A clear, readable writing style is supplemented with hundreds of full-color photographs and illustrations. Over 100 procedures are divided into pre-procedure, procedure, and post-procedure sections for easier learning. Skills on the NNAAP® exam are highlighted throughout and have been updated to match the 2012 test plan. Delegation Guidelines identify your specific responsibilities in accepting commonly delegated tasks. Teamwork and Time Management boxes indicate ways you can efficiently work with and help nursing team members. Promoting Safety and Comfort boxes detail measures and cautions for providing safe, effective patient care. Caring About Culture boxes help you learn about the beliefs and customs of other cultures so you can provide appropriate care. Focus on Children and Older Persons boxes provide age-specific information about the special needs, considerations, and circumstances of children and older persons. Focus on Long-Term Care and Home Care boxes highlight information vital to providing competent care in these settings. Focus on Communication boxes provide guidelines for what to say and ask when communicating with residents, visitors, and the nursing team. Key abbreviations are included at the beginning of each chapter, with a comprehensive glossary at the back of the book. Key terms introduce chapter content with the important words and phrases. Chapter Review Questions are useful in guiding your study, reviewing what you have learned, and studying for a test or the competency evaluation. CD icons indicate skills included on the companion CD. Video clip icons indicate skills for which video clips are included on the free Evolve companion website. Video icons indicate skills included in the Mosby's Nursing Assistant Video Skills 3.0 DVDs (sold separately). The Workbook and Competency Evaluation Review corresponds to chapters in the text and encourages learning with a wide variety of exercises and activities that challenge you to remember what you've learned. It also includes over 100 checklists, one for each procedure in the textbook. The Competency Evaluation Review includes content review, skills evaluation review, and two practice exams. Sold separately. NEW! The Person's Rights and Pressure Ulcers chapters provides expanded information on these key areas. NEW Focus on PRIDE boxes highlight personal and professional responsibility, rights and respect, independence and social interaction, delegation and teamwork, and ethics and laws to help you promote pride in the person, family, and yourself. Two laminated, pocket-sized cards include information on normal vital signs, common measurement conversions, positioning, the 24-hour clock, and abdominal and lateral regions. Updated companion CD contains interactive procedures, including three new procedures, learning exercises, an updated audio glossary, and a new Spanish audio glossary with phrases and terms. An updated A&P review, Body Spectrum, is available on the CD and on the Evolve companion website.

This is a Pageburst digital textbook, Comprehensive in scope, yet easy to read, this trusted resource is all you need to prepare for success in nurse assisting. This engaging text highlights the teamwork and communication vital to your role on the nursing team while detailing over 100 skills you need to provide safe, effective care. A comprehensive approach to nurse assisting provides complete coverage of all skills needed in a single resource. The clear, engaging, 7th grade writing style enhances comprehension. Nearly 1,000 full-color photographs and illustrations visually reinforce concepts and make content easier to understand. Over 100 procedures guide you step-by-step through essential skills, with complicated tasks presented in manageable segments for easier learning. Caring About Culture boxes help you provide care in a manner sensitive to the beliefs and customs of a variety of diverse cultures. Delegation guidelines identify your specific responsibilities in accepting commonly delegated tasks. Promoting Safety and Comfort boxes detail measures and cautions for ensuring safe, effective patient care. Focus On... boxes address the special needs of children, older persons, long-term care residents, and home care patients. Charting examples demonstrate the proper methods for accurately recording patient information and data. An appendix on Spanish health care terminology provides information needed to communicate effectively with Spanish-speaking patients and broadens the scope of your caring abilities. Chapter Review Questions assess your understanding and identify subjects requiring further study. The Workbook and Competency Evaluation Review, sold separately, enhances your learning with engaging activities, procedure checklists, and a competency review with questions, two practice exams plus a skills review that prepare you for certification. Teamwork and Time Management boxes provide specific guidelines to help you work most efficiently. Focus on Communication boxes present practical tips for communicating clearly and effectively with residents and patients. Key Abbreviations in each chapter familiarize you with abbreviations common to your daily communication. Focus on Ethics and Laws boxes include real-life examples that help you understand the ethical and legal considerations of practice. Boxes at the beginning of each chapter list procedures in the chapter and indicate which procedures are on the CD companion. CD icons in the procedures indicate that the skill is included on the CD companion for instant reference. 10 new chapters expand coverage of important techniques and disorders so you can provide effective care for the widest range of patients/residents. A CD companion makes learning critical procedures exciting with video clips, animations, learning exercises, an audio glossary, and an interactive A&P program.
