Double insurance is when you have two different health insurance plans. This may happen if you have coverage through your job and your spouse's plan. The benefits of double insurance is that you have two health plans that can help pay for care. The downside is that you have to pay two premiums and two deductibles.

Primary vs. secondary coverage when you have two health plans
The SBC also includes details, called coverage examples, which show you what the plan would cover in 2 common medical situations: diabetes care and childbirth. Does this apply to my plan? Yes. You can get a Summary of Benefits and Coverage for all individual and job-based health plans, including grandfathered plans.
