J. King Gordon's story is one of youthful vision and high ideals sustained throughout a life of concrete action at home and abroad. Grounded in his father's social gospel and given intellectual heft and hue by exposure to radical politics at Oxford and in New York, he returned to Canada as a self-described "Christian radical" and threw himself into the emerging social and political ferment of the 1930s. In *Growing to One World*, Eileen Janzen details a life spent championing progressive politics in Canada and a commitment to peace and diplomacy on the international stage. As a founding member of the League for Social Reconstruction, Gordon was one of the authors of the Regina Manifesto for the newly formed Co-operative Commonwealth Federation, the forerunner of today's NDP, and worked tirelessly on the party's behalf. Later, he realized his vocation as a member of the United Nations' division of human rights, serving in Korea, the Middle East, and the Congo as both an eyewitness to and participant in formative events shaping those regions. Exhaustively researched and informed by a sophisticated analytical grasp of political theory and international affairs, *Growing to One World* is a compelling look at an important supporter of peace, justice, and human rights across the globe.

An impressive list of specialists in the field examine the evangelical impulse in various denominations, from the mainstream Methodists, Presbyterians, Anglicans, and United, through Baptists, Mennonites, and Lutherans, to the more sectish groups, including Holiness, Christian Mission Alliance, and the Pentecostals. Also included are comparisons between Canadian and American, British, and Australian evangelicalism and essays on evangelical networks, leaders and revivals, women, and evangelicalism in the 1990s. Growing out of a conference sponsored by the Pew Charitable Trusts in 1995 at Queen's University, the essays elaborate a variety of important themes in the study of historical and contemporary evangelicalism and weave them together to provide an informative and challenging exploration of aspects of the evangelical experience in Canada. Contributors include Phyllis D. Airhart, Alwyn J. Austin, David W. Bebbington, Edith L. Blumhofer, Robert K. Burkinshaw, Sharon Anne Cook, Nancy Christie, P. Lorraine Coops, Duff Crerar, Michael Gauvreau, Daniel C. Goodwin, Andrew S. Grenville, Bruce L. Guenther, Bryan V. Hillis, D. Bruce Hindmarsh, Mark Hutchinson, William H. Katerberg, Kevin Kee, Ronald A.N. Kydd, Barry Mack, Mark A. Noll, David Plaxton, Darrel R. Reid, John G. Stackhouse, Jr, Marguerite Van Die, Richard W. Vaudry, and Marilyn Färdig Whiteley.

Comprehensive study of two towns on either side of the U.S.-Canadian border.

In *The Covenanters in Canada*, Eldon Hay sheds light on a religious community often overlooked in the chronicle of Canadian history. A group of religious and political dissenters who opposed the interference by the Stuart kings in the affairs of the Presbyterian Church of Scotland, the Covenanter movement was small, but had deep roots worthy of attention and respect. This study of a resilient tradition of religious dissent reflects the value of variance in a genuinely pluralistic society. The Covenanters objected to a ruler who was both the head of state and head of the church. Tracing the theological and historical significance of the movement in Scotland, Ireland, and the United States, Hay outlines the trials, tribulations, and triumphs of Covenanter missionaries in the Maritimes, Upper and Lower Canada, and the West. Despite fierce opposition from rival denominations, the Covenanters ultimately survived to carve a niche for themselves and develop a precarious relationship with other denominations and secular society - a relationship that remains tenacious and tenuous. A comprehensive study of a minority religious movement, *The Covenanters in Canada* is an insightful perspective on the evolving relationship between small religious movements and the majority culture.
