The Wench Is Dead (Book) : Dexter, Colin : It is only to entertain himself in the hospital that the impatient Inspector Morse opens the little book called Murder on the Oxford Canal. But so fascinating is the story it tells--of the notorious 1859 murder of Joanna Franks aboard the canal boat Barbara Bray--that not even Morse's attractive nurses can distract him from it.

The Wench Is Dead is a historical crime novel by Colin Dexter, the eighth novel in the Inspector Morse series. The novel received the Gold Dagger Award in 1989.

The Wench is Dead is the eighth novel in Colin Dexter's Oxford-set detective series. That night he dreamed in Technicolor. He saw the ochre-skinned, scantily clad siren in her black, arrowed stockings. And in Morse's muddled computer of a mind, that siren took the name of one Joanna Franks . . . The body of Joanna Franks was found at Duke's Cut on the Oxford Canal at about 5.30 a.m. on Wednesday, 22nd June 1859. At around 10.15 a.m. on a Saturday morning in 1989 the body of Chief Inspector Morse – though very much alive – was removed to Oxford's John Radcliffe Hospital. Treatment for a perforated ulcer was later pronounced successful. As Morse begins his recovery he comes across an account of the investigation and the trial that followed Joanna Franks' death . . . and becomes convinced that the two men hanged for her murder were innocent . . . The Wench is Dead is followed by the ninth Inspector Morse book, *The Jewel That Was Ours*.

for Colin Dexter" Guardian

The Riddle of the Third Mile is the sixth novel in Colin Dexter's Oxford-set detective series. The thought suddenly occurred to Morse that this would be a marvellous time to murder a few of the dodderly old bachelor dons. No wives to worry about their whereabouts; no landladies to whine about the unpaid rents. In fact nobody would miss most of them at all . . . By the 16th of July the Master of Lonsdale was concerned, but not yet worried. Dr Browne-Smith had passed through the porter's lodge at approximately 8.15 a.m. on the morning of Friday, 11th July. And nobody had heard from him since. Plenty of time to disappear, thought Morse. And plenty of time, too, for someone to commit murder . . . The Riddle of the Third Mile is followed by the seventh Inspector Morse book, The Secret of Annexe 3.

The Secret of Annexe 3 is the seventh novel in Colin Dexter's Oxford-set detective series. Morse sought to hide his disappointment. So many people in the Haworth Hotel that fateful evening had been wearing some sort of disguise – a change of dress, a change of make-up, a change of partner, a change of attitude, a change of life almost; and the man who had died had been the most consummate artist of them all . . . Chief Inspector Morse seldom allowed himself to be caught up in New Year celebrations. So the murder inquiry in the festive hotel had a certain appeal. It was a crime worthy of the season. The corpse was still in fancy dress. And hardly a single guest at the Haworth had registered under a genuine name . . . The Secret of Annexe 3 is followed by the eighth Inspector Morse book, The Wench is Dead.

answers kicks off with a tabloid journalist, winds through the strip clubs of Soho, then returns to Oxford, where two senior dons and their wives battle for a plum promotion. Then, on the personal front, Inspector Morse receives intimations of his own mortality. And while Morse muses on life, he reveals his first name at last. . . . Praise for *Death Is Now My Neighbor* “An excellent writer . . . Dexter's mysteries featuring Inspector Morse just keep getting better.”—Associated Press “His best work yet, full of insight into human nature and rich with real emotion.”—The Christian Science Monitor “A brilliant tour de force, an ingenious exploration of the human heart . . . At once sensitive, profoundly wise, and deeply felt.”—Buffalo News

The Jewel That Was Ours is the ninth novel in Colin Dexter's Oxford-set detective series. He looked overweight around the midriff, though nowhere else, and she wondered whether perhaps he drank too much. He looked weary, as if he had been up most of the night conducting his investigations . . . For Oxford, the arrival of twenty-seven American tourists is nothing out of the ordinary . . . until one of their number is found dead in Room 310 at the Randolph Hotel. It looks like a sudden – and tragic – accident. Only Chief Inspector Morse appears not to overlook the simultaneous theft of a jewel-encrusted antique from the victim's handbag . . . Then, two days later, a naked and battered corpse is dragged from the River Cherwell. A coincidence? Maybe. But this time Morse is determined to prove the link . . . *The Jewel That Was Ours* is followed by the tenth Inspector Morse book, *The Way Through the Woods*.

The Daughters of Cain is the eleventh novel in Colin Dexter's Oxford-set detective series. Bizarre and bewildering – that's what so many murder investigations in the past had proved to be . . . In this respect, at least, Lewis was correct in his thinking. What he could not have known was what unprecedented anguish the present case

would cause to Morse's soul. Chief Superintendent Strange's opinion was that too little progress had been made since the discovery of a corpse in a North Oxford flat. The victim had been killed by a single stab wound to the stomach. Yet the police had no weapon, no suspect, no motive. Within days of taking over the case Chief Inspector Morse and Sergeant Lewis uncover startling new information about the life and death of Dr Felix McClure. When another body is discovered Morse suddenly finds himself with rather too many suspects. For once, he can see no solution. But then he receives a letter containing a declaration of love . . . The Daughters of Cain is followed by the twelfth Inspector Morse book, Death is Now My Neighbour.

"DELIGHTFUL." --The Wall Street Journal In short mysteries so brilliantly plotted they'll confound the cleverest of souls, Inspector Morse remains as patient as a cat at a mouse hole in the face of even the most resourceful evildoers. Muldoon, for instance, the one-legged bomber with one fatal weakness . . . the quartet of lovers whose bizarre entanglements Morse deciphers only after a beautiful woman is murdered . . . and those artful dodgers who catch the cunning and very respectful Morse with his pants down. There are mysteries featuring new characters and some familiar ones, including the great Sherlock Holmes, and a royal flush of American crooks. "BRILLIANT . . . Inspector Morse is back, and more than welcome." --Houston Chronicle "Fear not. In Dexter's dexterous hands, the short-form Morse is every bit as wily and irascible as he is in the the popular Morse novels and the long-running PBS Mystery! series." --The Raleigh News & Observer

The Dead of Jericho is the fifth novel in Colin Dexter's Oxford-set detective series. Morse switched on the gramophone to 'play', and sought to switch his mind away from all the terrestrial troubles. Sometimes, this way, he almost managed to forget. But not tonight . . . Anne Scott's address was scribbled on a crumpled note in the

pocket of Morse's smartest suit. He turned the corner of Canal Street, Jericho, on the afternoon of Wednesday, 3rd October. He hadn't planned a second visit. But he was back later the same day – as the officer in charge of a suicide investigation . . . The Dead of Jericho is followed by the sixth Inspector Morse book, The Riddle of the Third Mile.
