Tipu Sultan - Wikipedia
Tipu Sultan (November 20, 1750 – May 4, 1799) is remembered by many in India and Pakistan as a heroic freedom fighter and warrior-king. He was the last ruler in India strong enough to dictate terms to the British East India Company. Known as the "Tiger of Mysore," he fought long and hard, although ultimately unsuccessfully, to preserve his country’s independence.

Biography of Tipu Sultan, the Tiger of Mysore
Tipu's Tiger or Tippu's Tiger is an eighteenth-century automaton or mechanical toy created for Tipu Sultan, the ruler of the Kingdom of Mysore in India. The carved and painted wood casing represents a tiger savaging a near life-size European man. Mechanisms inside the tiger and man's bodies make one hand of the man move, emit a wailing sound from his mouth and grunts from the tiger. In addition a flap on the side of the tiger folds down to reveal the keyboard of a small pipe organ with 18 notes.

Tipu Sultan is one of the most controversial figures in Indian history. One school hails him as a valiant warrior who fought for his honour and for his country; another describes him as a ruthless and bigoted ruler. Recent researches show that Tipu was more sinned against than sinning. As B.S.Gidwani points out, Tipu was the only ruler in the eighteenth century who did not side with the English at any time in a war against his fellow countrymen. Had Tipu succeeded in forming a united front with the support of the Nizam and the Marathas, the British would not have enslaved the country as easily as they did. The fall of Tipu paved the way for British supremacy in India. Even Nana Phadnavis, a bitter opponent of Tipu, acknowledged his vital role. Tipu is finished, he remarked, Poona will now be the next victim. Evil days are ahead. There seems to be no escape from destiny. In preparing this script the works of M.H.Khan, Denys Forrest, Fazal Hasan and T.T.Sharma have been consulted. The incidents included on pages 8,9,16 and 17 are based on B.S.Gidwani's The Sword of Tipu Sultan , published by Allied Publishers Ltd., New Delhi.

Tipu Sultan was a ruler of the Kingdom of Mysore renowned for his bravery in the wars against the British East India Company. Well known for his valor and courage, he is regarded as the first freedom fighter of India for his fierce battles against the British who tried to conquer the territories under the sultan ' s rule. This book gives complete details of his life as a ruler and his military campaigns.

This book is part of a series of books aimed at disseminating the accurate history of India drawn from the primary sources. History writing, especially about the medieval Muslim rule has been fraught with political correctness, controversy, and in several cases, downright falsification. This has occurred mostly with official state patronage. As a result, any attempts to correct this course has been virulently opposed with the result that most urban-educated Indians have now internalized a politically correct version of Indian history. The history of Tipu Sultan too, stands as a glaring instance of this distorted historical narrative. Indeed, we have seen, read, and heard about a lot of people claiming to be freedom fighters and receiving pensions from the Government. Several of these worthies would not have been born before Independence yet they succeed in such blatant manipulations. There are instances of portraying certain rulers and chieftains as true heroes who fought against the British Empire. One such ruler happens to be Tipu Sultan. Tipu Sultan is widely known as the Tiger of Mysore. Indeed, the image of Tipu battling a tiger barehanded crosses the mind whenever his name is mentioned. But is this the truth? Was Tipu Sultan truly the warrior as he has been portrayed? What exactly is his record of fighting the British? Was he really a freedom fighter as is widely claimed? Sandeep Balakrishna in this well-researched book, explores both the myths and the truth surrounding Tipu Sultan. A must-read for those who wish to learn the true story of Tipu Sultan.

"Tipu's Tiger is one of the Victoria and Albert Museum's most enduringly famous and fascinating objects. It was made for Tipu Sultan, the ruler of Mysore, who was killed by the British in 1799 during the final onslaught on his island capital, Seringapatam. After the victory, his treasury was seized and its precious contents rapidly divided between the soldiers of the East India Company army. The spectacular wooden tiger survived, however. Discovered in the music room of the palace, it was shipped to the Company's new museum in London in 1800." "This book tells the story of the tiger's travels from India to the V&A showing how it has inspired artists and authors, and frightened or entertained the public since its first appearance in England." --Book Jacket.

This biography of Tipu Sultan, is a tribute to the Tiger of Mysore who waged wars against the British his entire life, and died a martyr – fighting to save his land. Was he a villain, as some historians make him out to be, or was he a magnanimous ruler, as others claim? Find out for yourself through this account that takes you through the fact and fiction revolving around this brave figure, and shows you not only his excellent martial skills, but etch him out as India ' s first glorious hero in her struggle against the British.
